💡 PROJECTS

Project Portfolio Highlights

As an experienced Full Stack Developer, I have successfully completed over 10 projects, including e-commerce platforms, credit card management systems, web-based compilers, and tour and travel applications. Utilizing the MERN stack, I have worked both individually and collaboratively to deliver high-quality solutions. I am eager to apply my skills and experience to new challenges and contribute to innovative projects.

🎮 HOBBIES

1: Learning new skills

2: Playing cricket and volleyball
