SUBJECT: Paid Internship Offer – Full Stack Developer at DcodeBlock

Dear Mohd Rizwan

We are delighted to extend this offer for a paid internship as a Full Stack Developer at DcodeBlock. Your skills and passion for blockchain technology align perfectly with our mission to empower developers in the Web3 space.

Internship Role and Responsibilities:

As a Full Stack Developer Intern, you will be an integral part of our development team, contributing to:

- Front-End Development: Designing and implementing user interfaces using HTML, CSS, JavaScript, and modern frameworks like React or Vue.js.
- Back-End Development: Building robust server-side logic and APIs using Node.js, Python, or similar technologies.
- Database Management: Designing and maintaining efficient databases (MongoDB, NoSQL) for user and project data.
- Blockchain Integration: Integrating various blockchain networks and Web3 libraries (Web3.js, Ethers.js) to facilitate seamless interactions with decentralized applications.
- Performance Optimization: Troubleshooting and optimizing application performance to ensure a smooth user experience.

Internship Details:

- Start Date: June 1, 2024
- Duration: [1-6 months] (depending on intern performance)
- Hours: min. 4 hrs/day (flexible)
- Stipend: INR 6,000 per month
- Location: Remote
- Reporting To: Rasesh Gautam, Co-founder

Additional Terms:

This internship is subject to the terms of the DcodeBlock Internship Agreement and your existing NDA.

Sincerely,

Raj Gupta

Co-founder, DcodeBlock
