🚀 PROJECTS

E-commerce Website

I have completed a project related to an E-COMMERCE website, where I utilized React for frontend development, Node.js for backend development, and MongoDB as the database.In this project, users were able to make online purchases of products.

Poetry Website

Project Link: https://raqeeb-ad050.web.app
I have successfully completed a poetry-related project in which I utilized HTML, CSS, and JavaScript. This project allowed users to access and read poetry from renowned poets.

👥 HOBBIES

1: Learning new skills
2: Playing cricket and volleyball
